A MISSION HOPE BAG is a small purple plastic bag that can be filled with inexpensive, unused items such as soap, shampoo, toothpaste, tissues and socks (even underwear) ---simple, basic products that homeless people can use to clean up and feel better about themselves.

Because we know that when *they* feel better, they're in a better position to make *other changes* - like getting involved with the education, work training, recovery and spiritual guidance we offer here at the Mission.

I hope YOU will be a part
of
